

## Block Scheduling: 2025 BASE Camp Schedules

**Block Scheduling- Sign up for all 6 weeks of camp! Early registration on January 31st at noon.** Are you ready for the ultimate BASE Camp experience? We're talking 6 weeks of mornings and afternoons filled with creativity, exploration, innovation, and fun! Now, you can easily sign your child up for just that and leave the rest to us. We've designed your child's camp schedule to include some of our tried and true BASE Camp favorites along with some brand new camps debuting this year.

**With block scheduling, your child will be signed up for morning and afternoon sessions for all six weeks of camp which includes supervised lunch and recess.** Early drop off, extended camp, and boxed lunch can be purchased as add-ons for each week as needed.

**Please note that with block registration, individual weeks or camps cannot be canceled and camps cannot be switched.** Any changes you may wish to make to your child's summer schedule will need to be made by canceling the entire block registration and then signing up for individual weeks or camps separately. The \$25 per camp cancellation fee still applies to any cancelled camps. All camps are subject to change based on enrollment.

Please see the following Block Schedules:
